Single Treatment: Fractional CO₂ laser.

"Giving someone confidence and self-esteem once again is just as important and gratifying to me as anything I do in medicine. The treatment took years off her face and appearance, and all with a non-invasive laser treatment"

**Single Treatment - Combination of:
Botox, Dermal Fillers, & Fractional CO₂ laser.**

"With the right kind of art and the right kind of laser hardware we can work magic. We can make you look 10, 15 even 20 years younger. We can make

Single Treatment: Fractional CO₂ laser

**“Using the MiXto CO₂ fractional laser, I was able to
 restore a smoother and younger-looking
 complexion without surgery. This enhancement
 made a tremendous difference in her life, positively
 influencing her personal and professional
 relationships, and improving her self-confidence.”**
